

# I swear I saw it!

Mysterious lights. Sinister saucers. Alien abductions. Since 1954 more than 80,000 UFO sightings were reported over the last century. There was a rise in the number of UFOs in the United States. Citizens looked

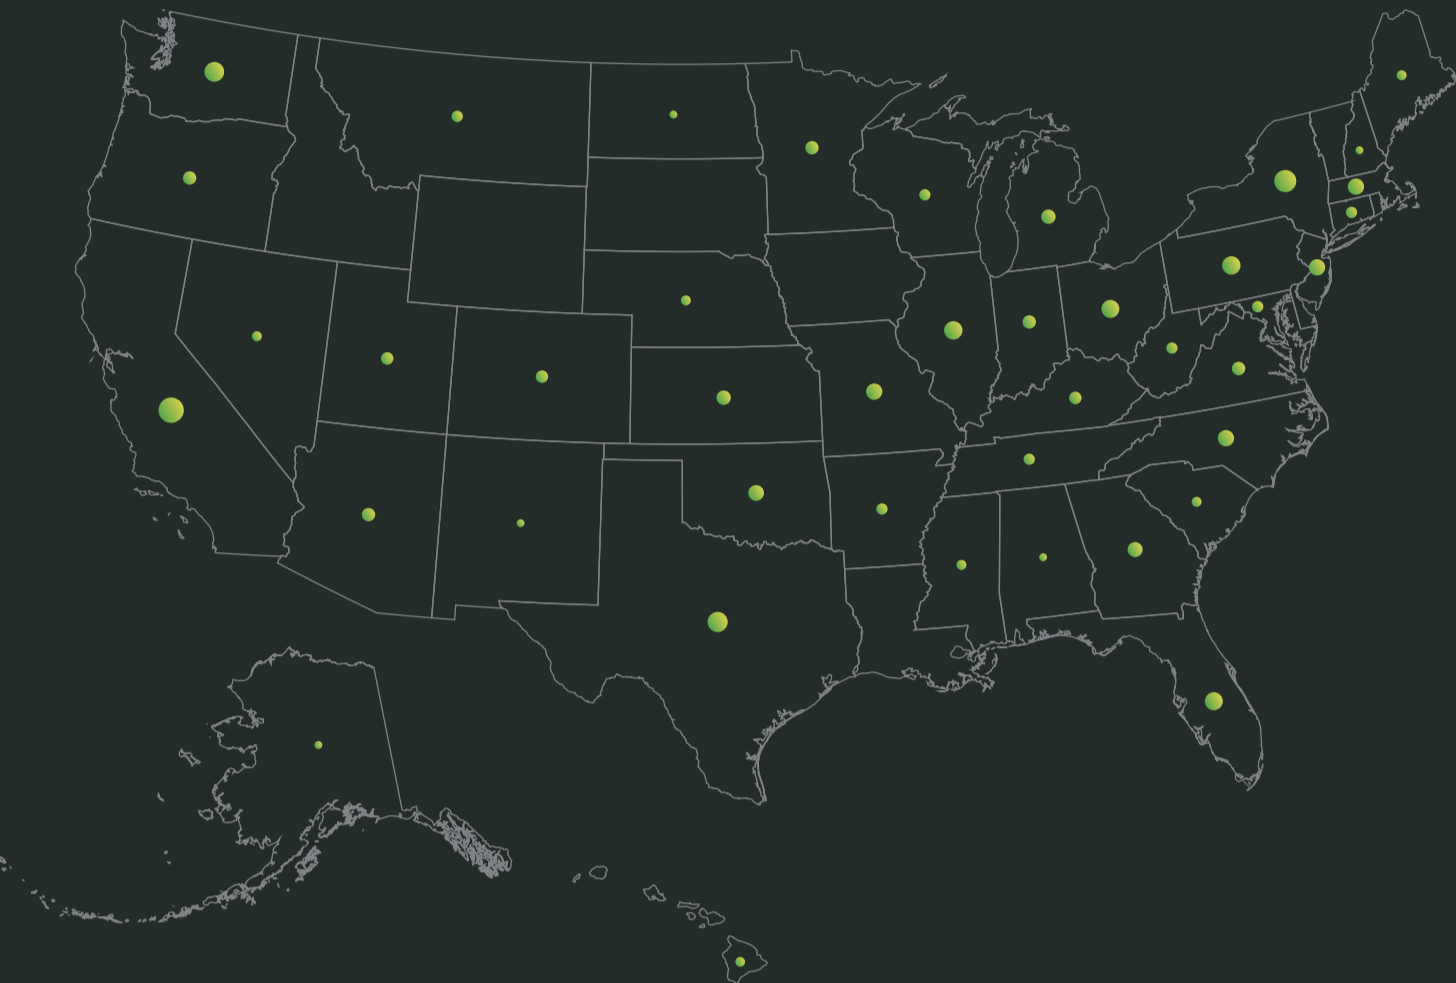

up into the sky and saw something that didn't look like a bird or a plane. Here is an infographic that illustrates the number of UFO sightings in the United States from 1954 to 2013.

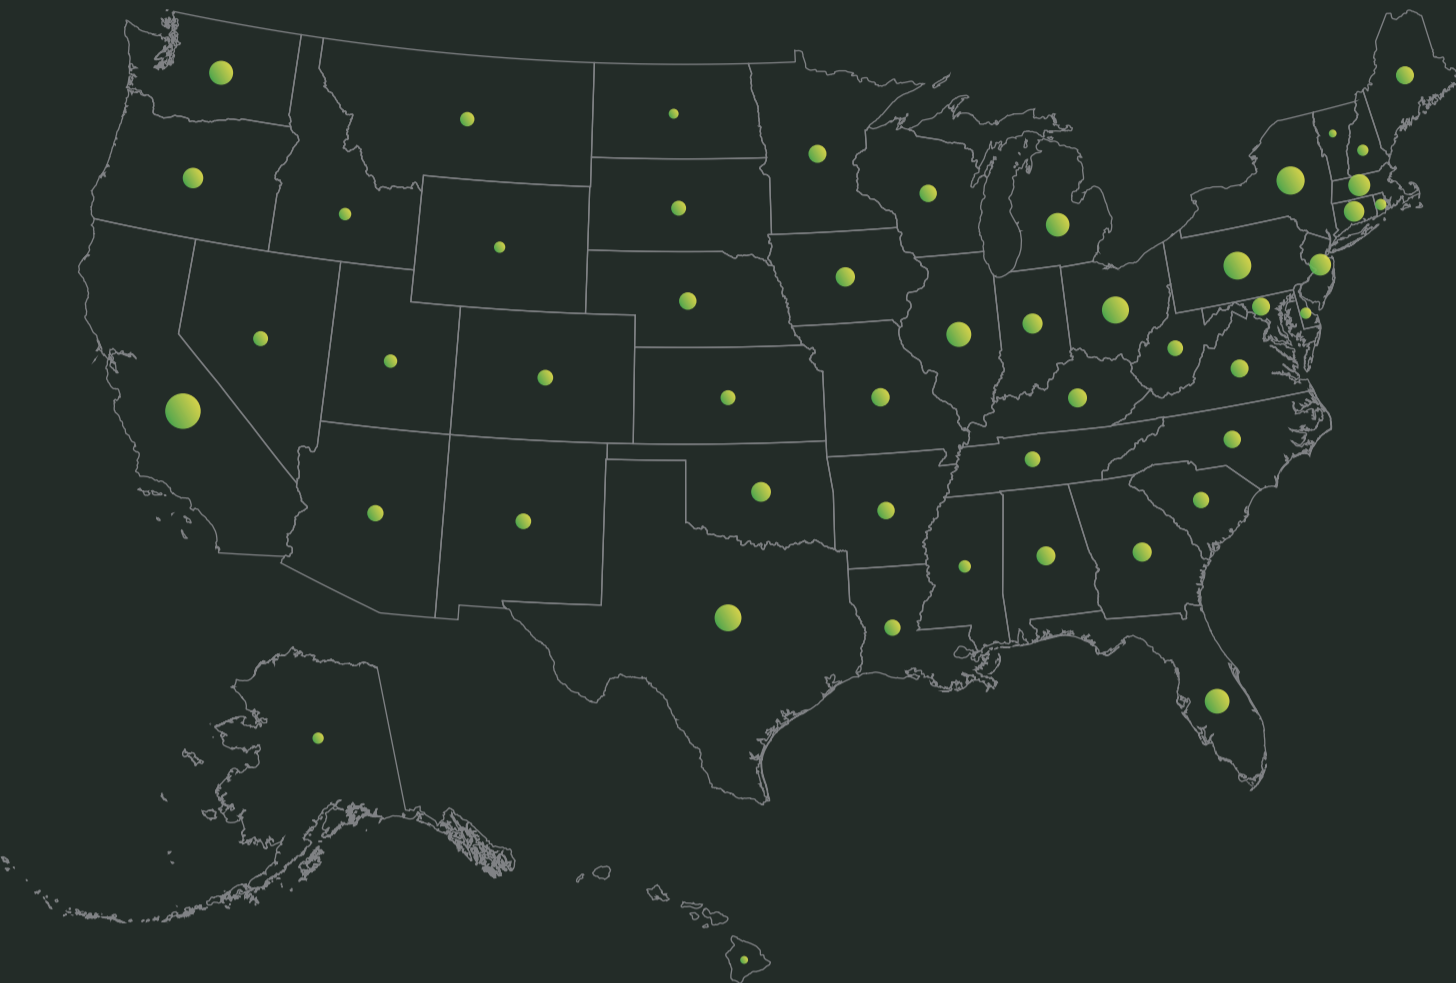

1954–1958

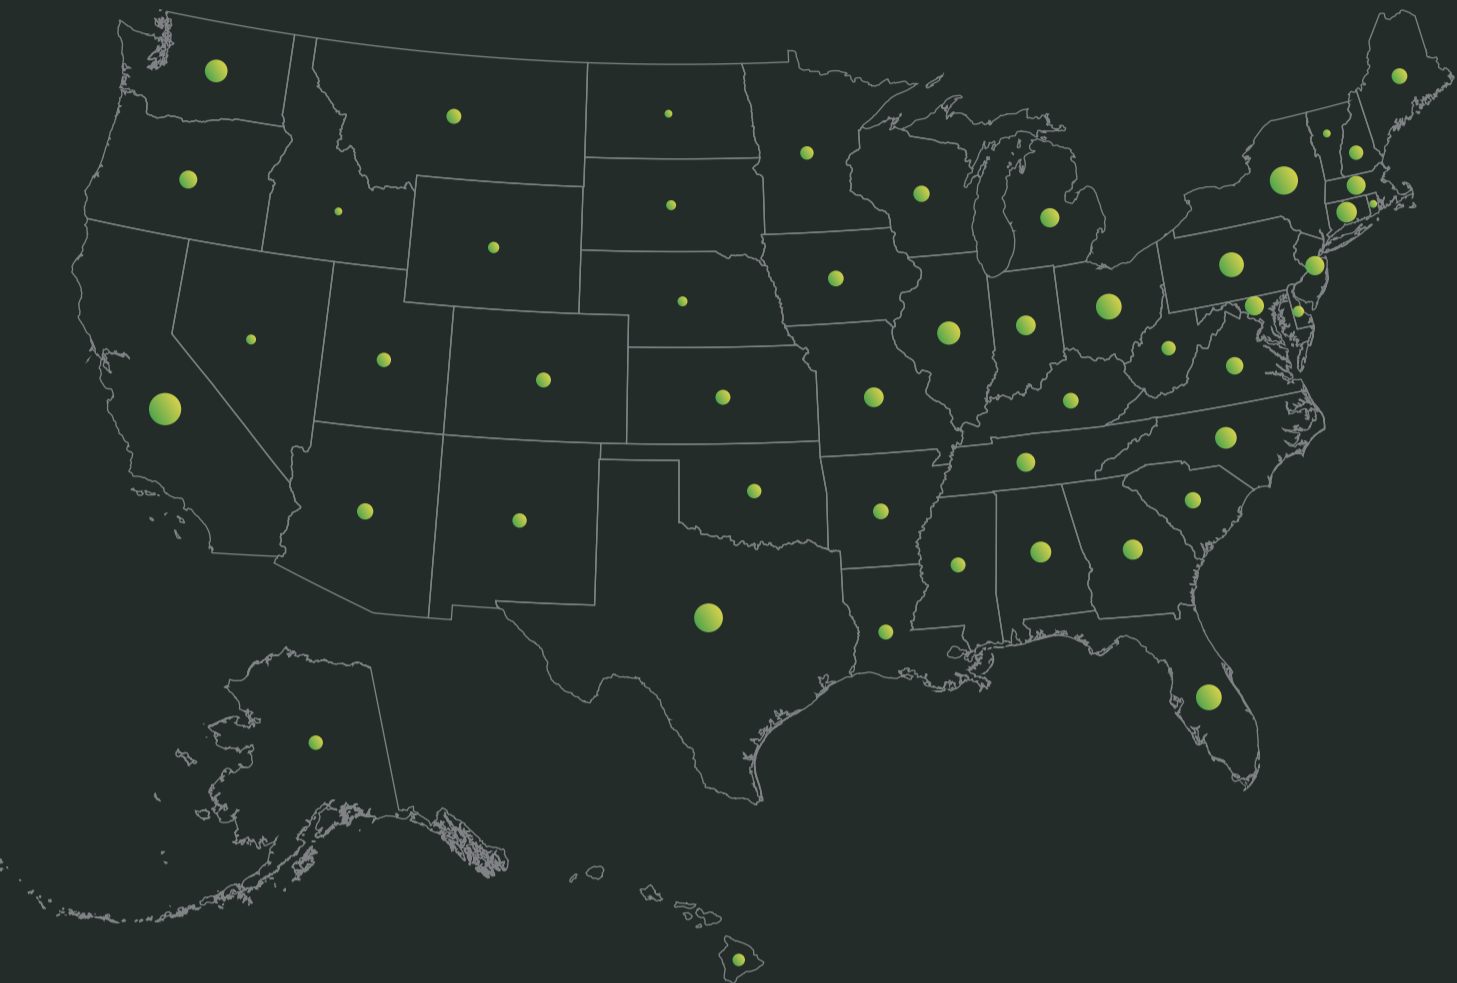

1959–1963

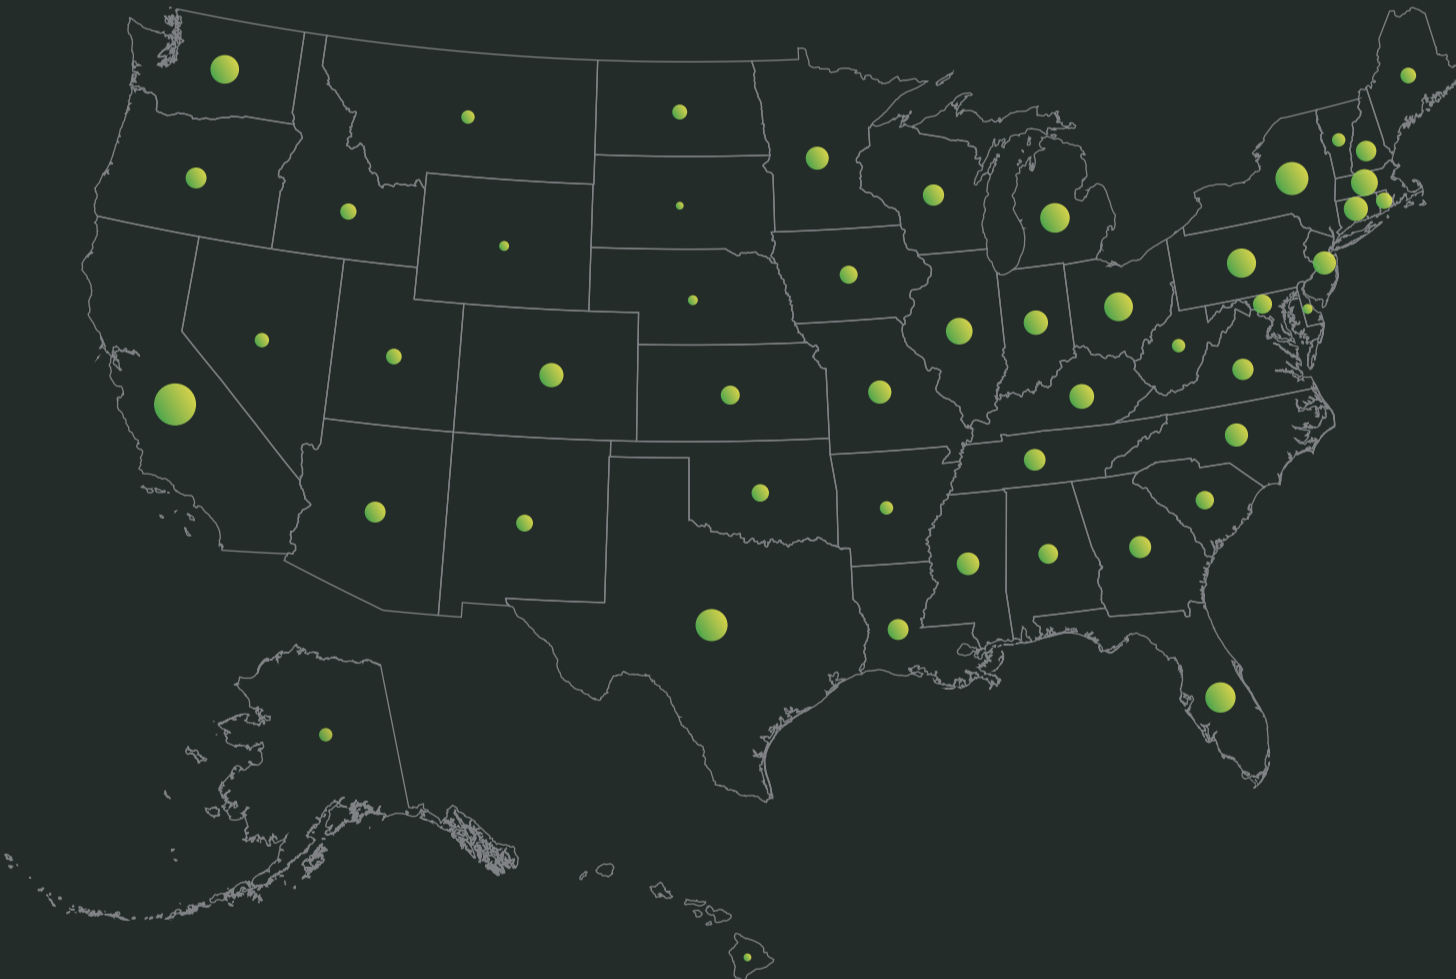

1964–1968

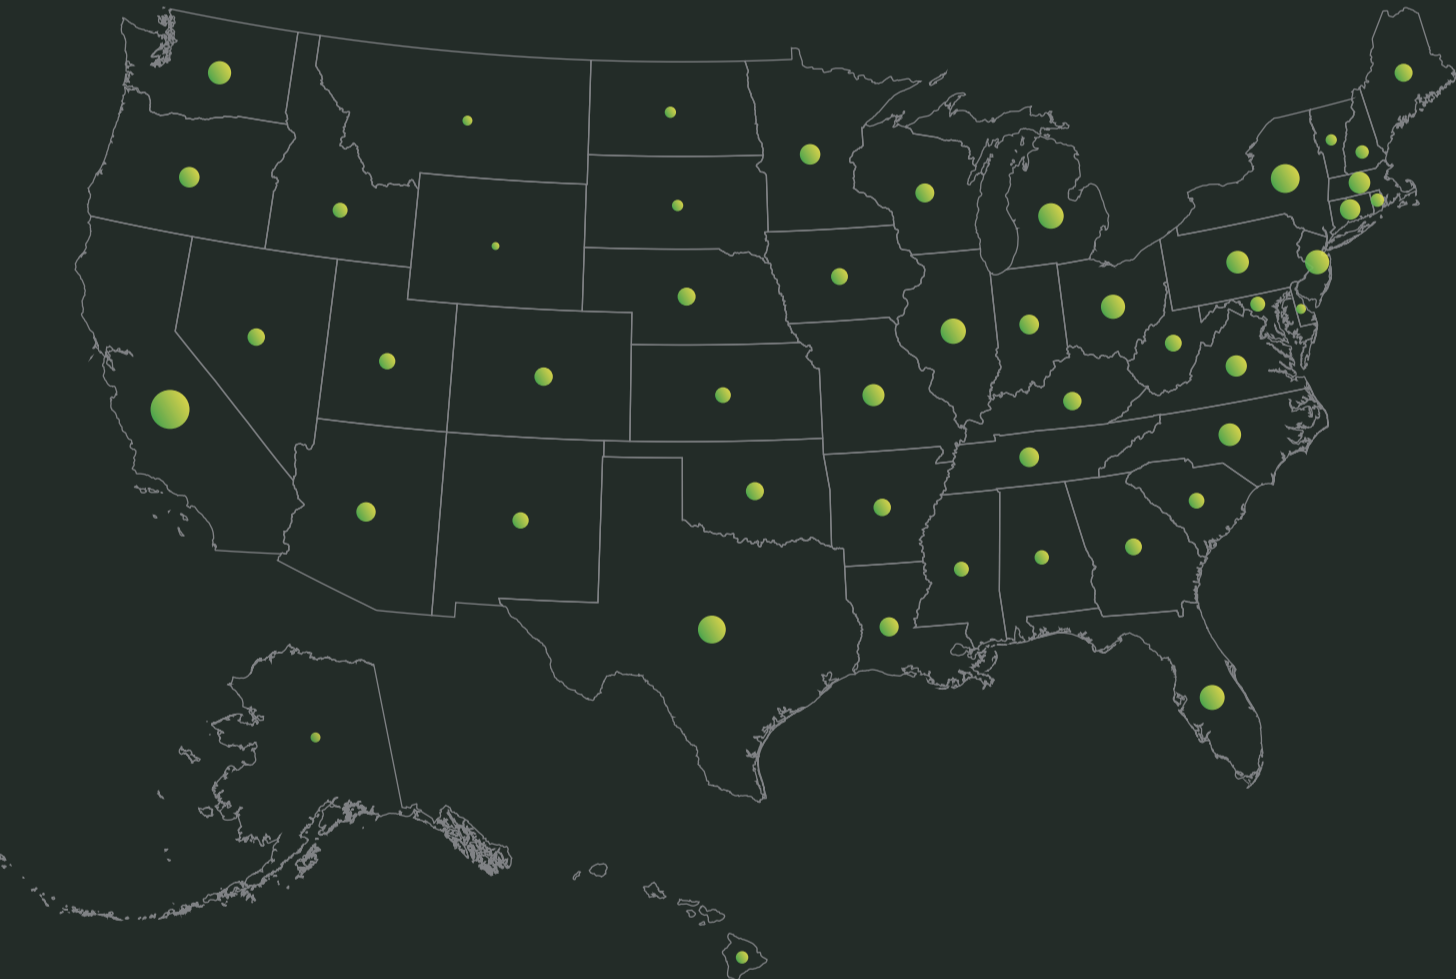

1969–1973

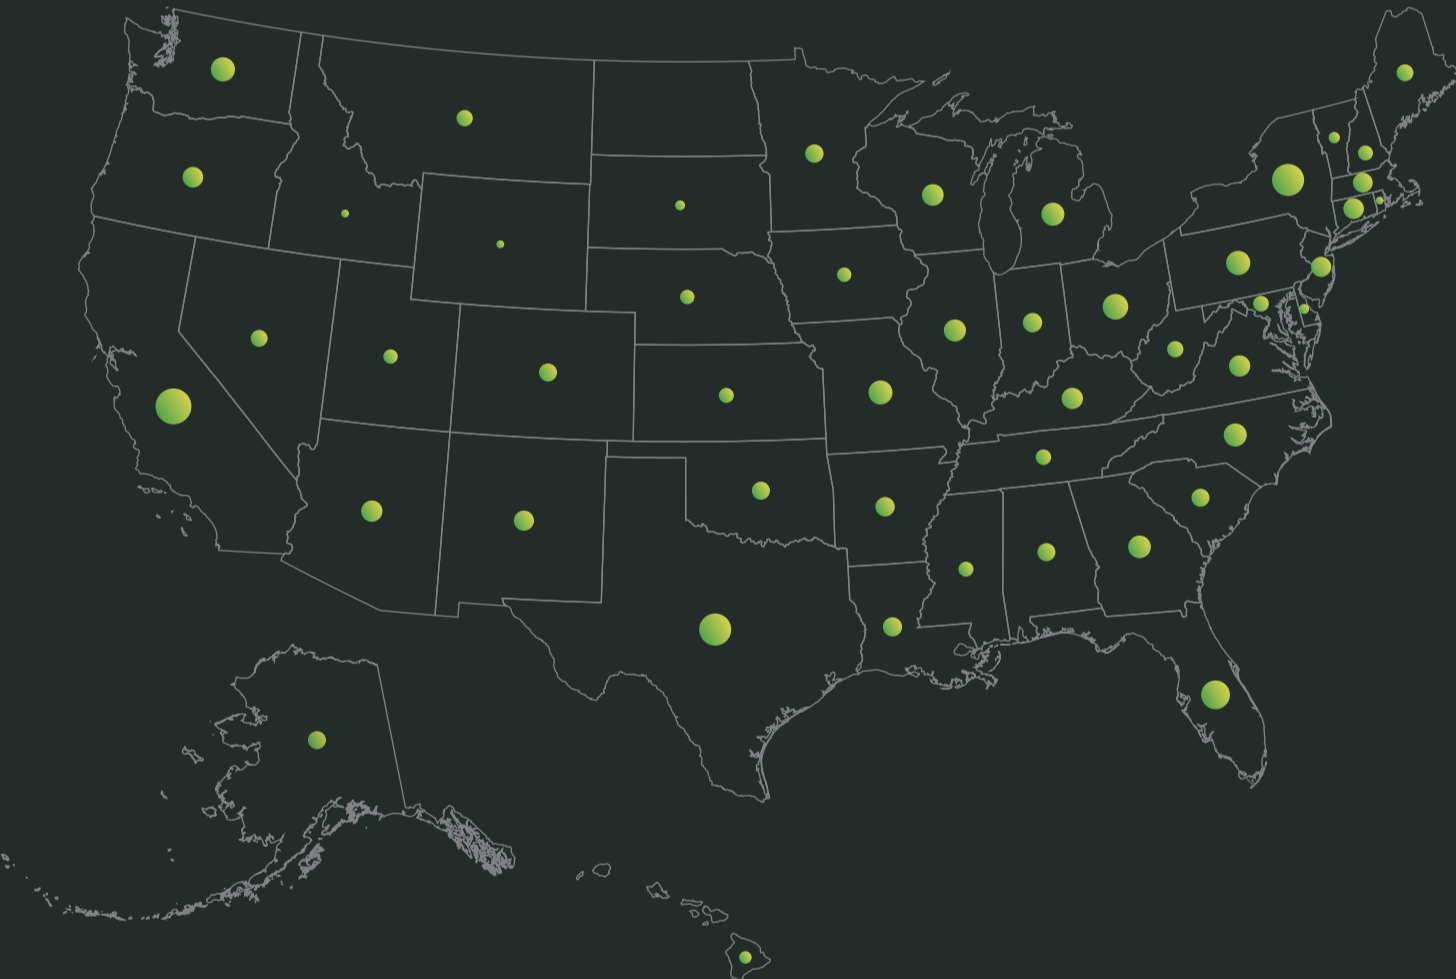

1974–1978

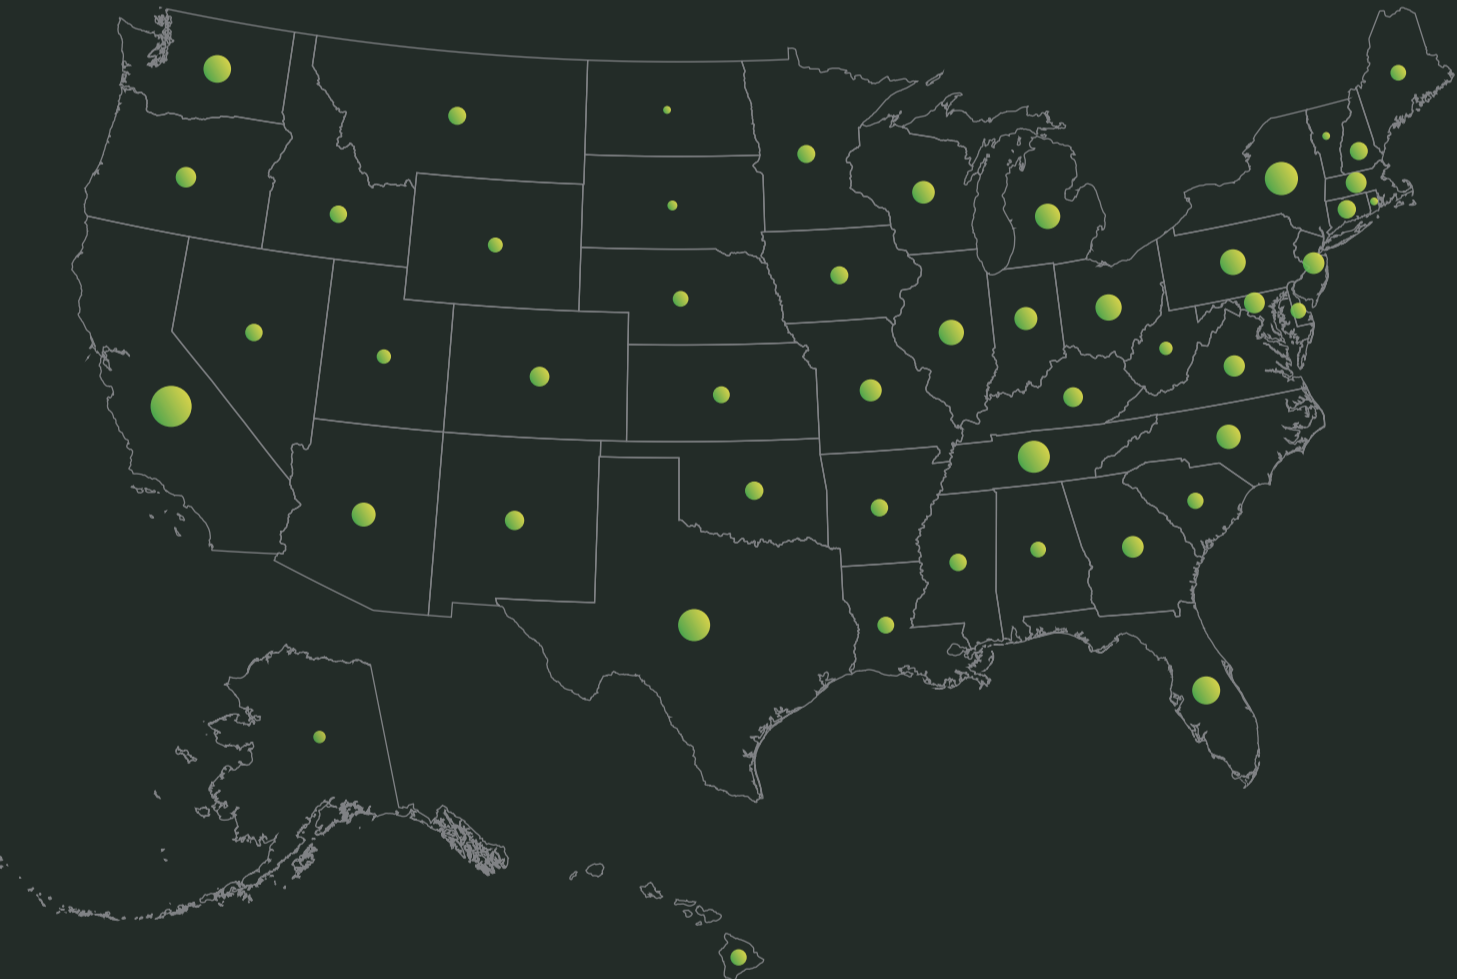

1979–1983

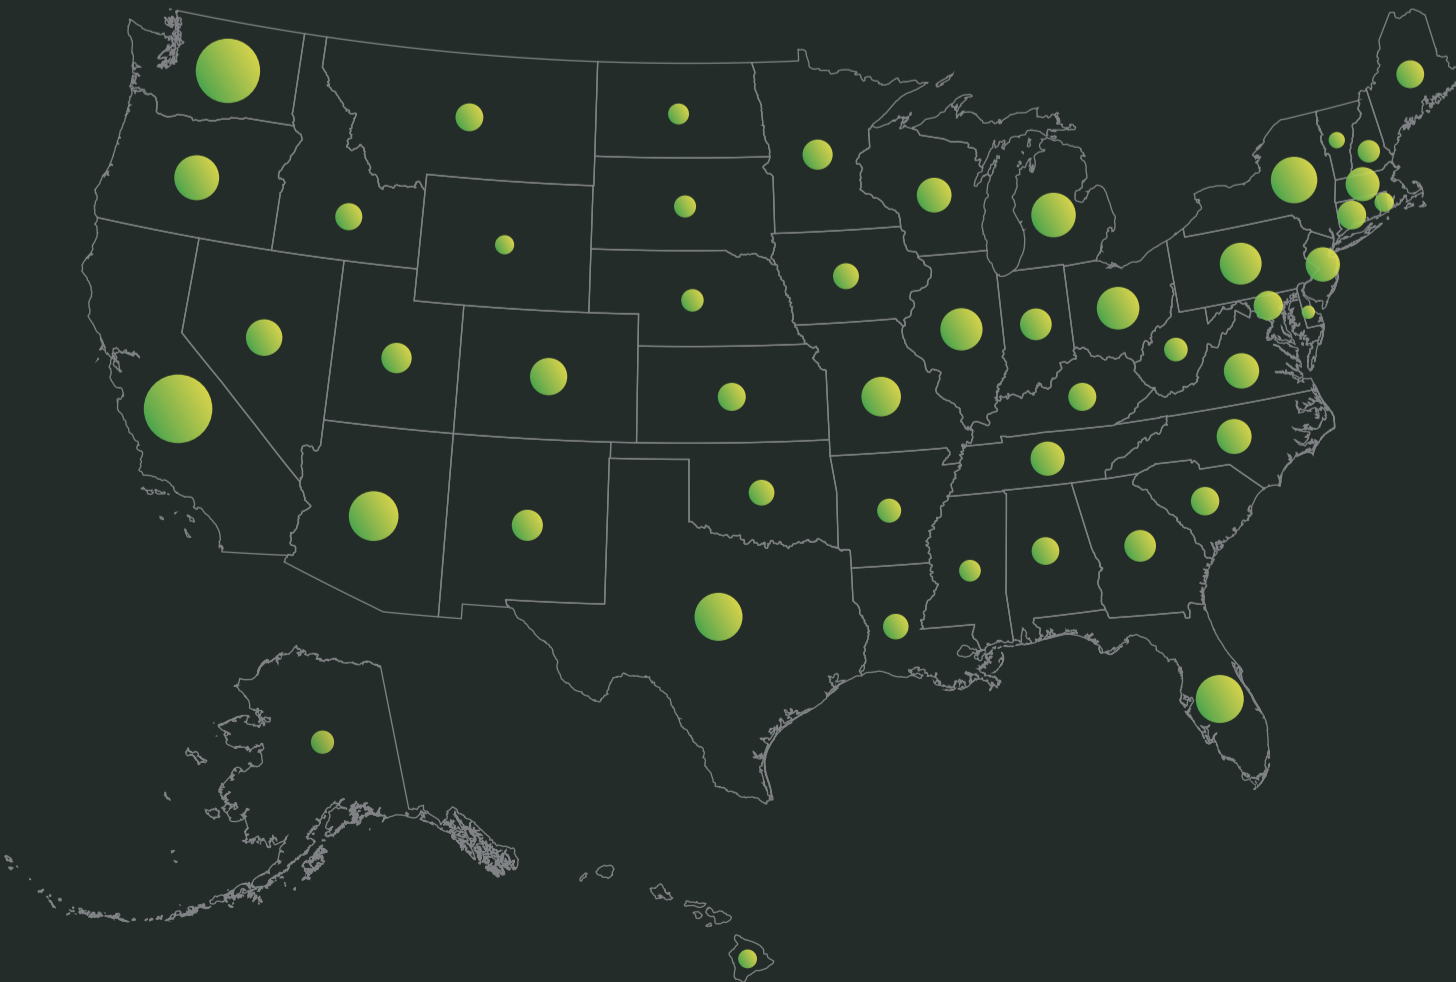

1984–1988

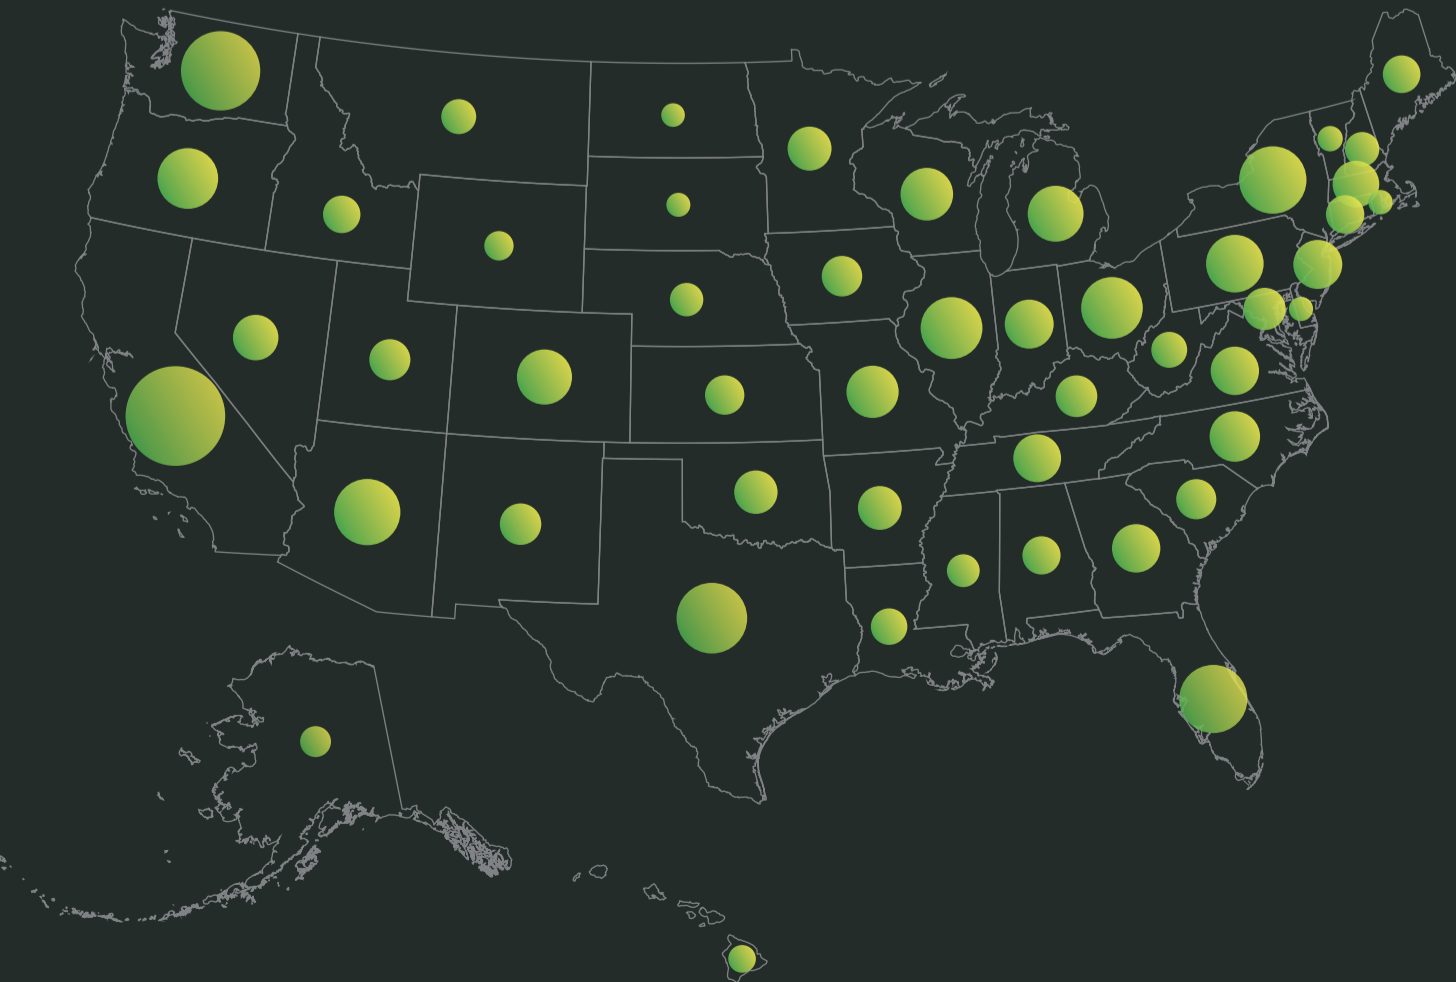

1989–1993

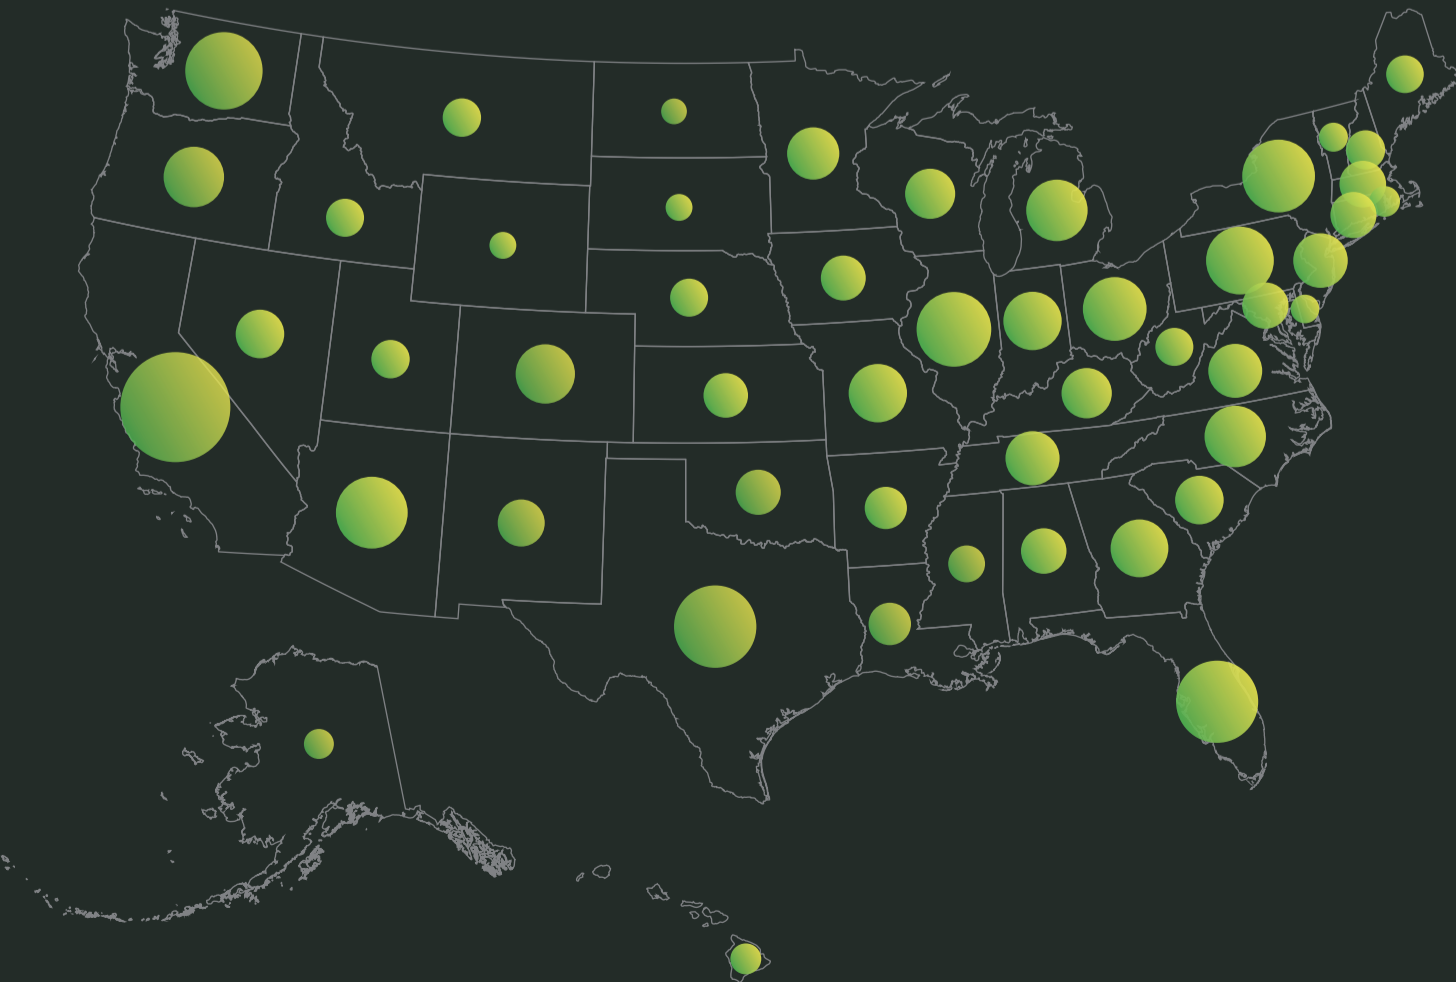

1994–1998

1999–2003

2003–2008

2009–2013
